

Project ICoSCIS:
Interregional Cooperation
at Scientific Computing in
Interdisciplinary Science

Meeting of the partners LP,PP3 and PP4
Minutes

Project Name	“Interregional Cooperation at Scientific Computing in Interdisciplinary Science” (ICoSCIS)		
Programme	European Territorial Cooperation Programme “Greece-Bulgaria 2007-2013”		
Date of Meeting	9.05.2012	Location	Aristotle University Thessaloniki, Thessaloniki, GREECE

On May 9th 2012, the project partners LP, PP3 and PP4 met in Thessaloniki. The following were discussed:

1. Clarification of some aspects concerning implementation of the project and funding.

The AUBG partners submitted questions referring to several aspects of ICoSCIS project implementation such as:

1. The translation of the ICoSCIS website in Bulgarian and how the payment will proceed.
2. The types of consumables that are eligible and necessary for the entire duration of the project.
3. The details of the equipment that will be needed.
4. The way the budget concerning joint activities will be distributed among the involved partners.

2. Setting of the final details of the agenda for the summer meeting to be held in Blagoevgrad

The attendees discussed in more detail aspects of programming courses, such as the depth of the introductory level courses, versions of the programming languages and whether parallel programming is necessary.

This meeting helped set the basis for the final decisions to be made in late May meeting in Blagoevgrad.
